Menorquín 34 HT

AVAILABLE FOR DELIVERY!

All the beautiful character of the original Mallorquin wooden Llauds in this modern GRP beauty. Fitted with the latest technology, huge volume for live aboard in two separate cabins, fully fitted galley and super economy achieved from the twin Volvo D4 latest generation diesel engines.

The Sasga Menorquín range echoes the history and elegance of the island's traditional llauds. Sasga's boatbuilding journey has spanned five decades evolving into one of the finest ranges of semi-displacement motor yachts on the market. State-of-the-art boat building technology, an experienced yacht designer and a passion to maintain their rich history are key attributes to the current Menorquín range.

Utilizing the most modern design and technology innovations, Sasga yachts are manufactured to the highest standards to offer superb stability, comfort and efficiency.

The manoeuvrability and superior use of living space, thanks to the optimized design of its hull, has garnered international praise for this Menorquín 34 HT.

With its 10 meters length, a weight of little more than 8 tonnes and a draught of only 1,11 meters, it is perfect for discovering the most hidden caves of the coast.
